**THE POPULAR LOGISTICS AND SUPPLY-CHAIN INFORMATION
PORTAL, WWW.LOGISTICSNETWORK.COM, GETS A REDESIGN.**

(Dumont, N.J., December 15, 2006) Logistics Network Inc. is pleased to release its newly redesigned flagship Web site, the popular information portal, *logisticsnetwork.com*.

In addition to the obvious look and feel changes to the site, there have been updates to many of the links and tools associated with it as well.

As always, revisions to *logisticsnetwork.com* are done to make it a more useful tool to those in the logistics and supply-chain profession.
