NEW WEB SITE, WWW.LOGISTICSBOOKS.COM, PROVIDES YOUR CONNECTION TO THE BEST LOGISTICS AND SUPPLY-CHAIN READING RESOURCES.

(Dumont, N.J., June 30, 2006) Logistics Network Inc. is proud to release the latest in our suite of Web sites designed for the logistics and supply-chain professional, LogisticsBooks.com.

You're a busy logistics professional with many demands upon your most precious resource: time. LogisticsBooks.com is a simple vehicle for finding some of the best research material available in print today for those in our profession.

Along with a description and access to the best supply-chain books available, the site showcases the writing of our own, Michael B. Stroh. Excerpts from the recently released third edition of the popular, ***A PRACTICAL GUIDE TO TRANSPORTATION AND LOGISTICS***, are a key feature of this new Web site.
